

JOB OPPORTUNITY-JOIN OUR TEAM!

The UCLA Center for Prehospital Care continues to expand its programs to meet the needs of the local, state and national EMS communities. We are in our 12th year of operation as a community education and research unit of the Emergency Medicine Center at the University of California at Los Angeles. Consider bringing your talents to our dynamic, nationally recognized, professional team.

Educator - Paramedic Education Program - This Educator will provide didactic instruction in the paramedic program, provide instruction in other Center programs, assist in the coordination of courses, serve as clinical faculty for students participating in hospital clinical and field internships, and assist in the planning, development, implementation and evaluation of paramedic curriculum.

The successful candidate for this position will possess an Associates Degree in a related field, current licensure as a paramedic and eligible for California licensure, certification in BLS, ACLS, PALS and instructor certifications in the same (preferred), minimum of two years relevant teaching experience, and a minimum of two years full-time emergency medical experience in a hospital emergency department or on a paramedic ambulance.

Clinical Supervisor - The Lead Clinical Instructor is a primary team member in the coordination and delivery of education within the paramedic school. The Lead Clinical Instructor will coordinate skill labs, teach in both lecture and skill station formats, supervise students at clinical sites, and maintain inventory of equipment. This position reports to the Clinical Coordinator.

Requirements for this position include current paramedic or nurse license with minimum one year full-time emergency medical experience, current BCLS, ACLS and PALS provider certifications, BLS and ACLS Instructor certifications, previous teaching experience, excellent communication skills, outstanding organizational skills, ability to foster a stimulating teaching environment, and ability to work independently. Academic degree, PALS and BTLS/PHTLS instructor, and previous supervisory experience a plus. Formal job description available upon request.

*UCLA offers competitive compensation and unmatched benefits.
